No Practical Dose Wanted Here.

It is said that Wheeling, yet so because Pittsburgh released Glascock,

got back at our barnstormers in royal style. The Pittsburghers asked Wheeling for a date, according to report, but were snubbed flatly. To make matters worse, Wheeling is said to have at once made a date with Cleveland.—Pittsburgh Commercial Gazette.

No Records Broken.

LEXINGTON, Ky., Oct. 10.—Another big crowd attended the trots here today. There were three specials, Alix and J. R. Gentry to beat their record of 2:03 and Hal Dillard to beat his record of 2:07. Owing to the high winds, both Alix and Gentry failed and Dillard did not start. Alix tried twice.

Races at Morris Park.

NEW YORK, Oct. 10.—The weather cleared too late to bring many spectators to Morris Park today. In the Hunter handicap all of the likely starters went to the post, and there was a heavy plunge on Nahma to win. Nahma ran like a dog and was absolutely nowhere, while Beldemere, with Taral up, won handily. The Country Club handicap was a good betting race, with Dorian as favorite and Banquet second choice. Dorian won easily. Summary:

First, five furlongs—Stonewall won; time, :58. Second, six furlongs—Urania won; time, 1:13. Third, Hunter handicap, mile and a quarter—Beldemere won; time, 2:12. Fourth, Country Club handicap, mile and an eighth—Dorian won; time, 1:56. Fifth, mile—Nero won; time, 1:43. Sixth, six furlongs—Derolict won; time, 1:13.

BELLAIRE.

All Sorts of Local News and Gossip from the Glass City.

Hon. Lorenzo Danford passed through town yesterday on his way to Monroe county, where he is booked for several speeches this week. Col. A. O. Barnes, the Democratic candidate, opened his campaign at his old home in Harrison county Tuesday night. It is now explained that Mr. Barnes accepted the nomination this year fully convinced that he was to lead a forlorn hope, but he has ambition in another direction and was willing to lead the losing contest because courtesy has given the defeated candidate of the party in power in the national government the distribution of patronage in his district. Mr. Barnes had an idea he could help himself in other directions by reason of this patronage. Judge Pearson, who retired of his own free will from the fight, could furnish Mr. Barnes with knowledge enough to write a book on the curse of the distribution of spoils. In the meantime there are hundreds, if not thousands of Democrats flocking to Captain Danford this fall and Hon. John M. Garvin's estimate of 6,000 is none too high for his plurality, because the higher the better effect.

The city board of education paid off \$3,000 of the school indebtedness this month. The board some years ago began to shape things in refunding the outstanding bonds so as to get them all to fall due at one time and thus enable them to float bonds then bearing 8 per cent at 6 and to provide for the payment of a reasonable amount of them each year, and this policy has been kept up by succeeding members.

The allowance for indigent soldiers was cut down so much this year that the county relief commission was compelled to cut off some of those who had been carried on the rolls and Township Trustees George Kern had a merry time parceling out the orders for the pittance allowed.

Mayor DuBois' last report indicates quite a decline in the receipts of his office. He paid into the city treasury only \$38 37, which is about as low as any monthly return ever made. Business in police circles has been about as dull as in other lines.

The building and loan company started at Toronto some years ago by Robert Whiston, formerly of this city, surrendered its charter and is winding up its business. These Democratic times knocked it out.

They had a serious time locking up a wildly drunk fellow Tuesday night. He fought every inch of the way into the cell and had most of his clothes badly torn before he was locked up.

The vote on prohibition in this township, outside of the city, and in Mead township is likely to carry, unless the election on this score should go by default.

Major Petty and W. B. Smith, attorneys of Barnesville, were in the city Tuesday night, on their way home from St. Clairsville.

The Jewish fast day, Yom Kippur, was religiously observed by all of that class in this city as a day of fasting and prayer.

A war is to be made on the porters and expressmen who make nuisances of themselves at the railroad stations.

Fred C. Kemple left yesterday for Philadelphia to resume his studies in the dental college.

The dance of the Progress club in Central hall last night was an immense affair.

Hon. John M. Cook, of Steubenville, was in the city yesterday on legal business.

We recommend Johnson's Magnetic Oil for rheumatism, neuralgia, sprains, bruises, lame back; it quickly relieves pain. 25 and 50 cents. Chas. R. Goetze and W. W. Irwin.

There is no medicine so often needed in every home and so admirably adapted to the purposes for which it is intended, as Chamberlain's Pain Balm. Hardly a week passes but some member of the family has need of it. A toothache or headache may be cured by it. A touch of rheumatism or neuralgia quieted. The severe pain of a burn or scald promptly relieved and the sore healed in much less time than when medicine has to be sent for. A sprain may be promptly treated before inflammation sets in, which insures a cure in about one-third of the time otherwise required. Cuts and bruises should receive immediate treatment before the parts become swollen, which can only be done when Pain Balm is kept at hand. A sore throat may be cured before it becomes serious. A troublesome corn may be removed by applying it twice a day for a week or two. A lame back may be cured and several days of valuable time saved or a pain in the side or chest relieved without paying a doctor bill. Procure a 50 cent bottle at once and you will never regret it.

When Baby was sick, we gave her Castoria.

When she was a Child, she cried for Castoria.

When she became Miss, she clung to Castoria.

When she had Children, she gave them Castoria.

"I would rather trust that medicine than any doctor I know of," says Mrs. Hattie Mason, of Chilton, Carter county, Mo., in speaking of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

"Trust Those Who Have Tried." Catarrh caused hoarseness and difficulty in speaking. I also to a great extent lost hearing. By the use of Ely's Cream Balm dropping of mucus has ceased, voice and hearing have greatly improved.—J. W. Davidson, attorney at law, Monmouth, Ill.

I used Ely's Cream Balm for catarrh and have received great benefit. I believe it a safe and certain cure. Very pleasant to take.—William Frazer, Rochester, N. Y.

Price of Cream Balm is fifty cents.

Portrait of a Lady

who has cleaned house all day without Pearlina—and she's had a lively time of it. There's another day just like it coming to-morrow—and more afterwards.

Now, see the difference. With Pearlina, all this hard work would be easy; through in half the time; nobody disturbed by it. Pearlina cleans, without the least harm, everything that water doesn't hurt. You won't have your paint streaked and rubbed off or your marble discolored or your temper ruffled or—well, Pearlina banishes more of the ills attending house-cleaning than anything else known—just as good for washing clothes.

Send it Back Peddlers and some unscrupulous grocers will tell you "this is as good as" or "the same as Pearlina." IT'S FALSE—Pearline is never peddled, and if your grocer sends you something in place of Pearlina, be honest—send it back. 409 JAMES PYLE, New York.

WAS ALMOST BLIND

Little Girl had to be Kept in a Dark Room. Could not See to Feed Herself. Remedies and Doctors All Failed. Cured in One Week by CUTICURA.

My little girl had very soon eyes. I tried everything, but nothing did any good. I took her to a doctor in Atlanta, who treated her for a year, but she kept getting worse. I brought her home; was almost out of heart; I just felt sure she would go blind. An old lady told me to try CUTICURA REMEDIES. I had no faith in them, as I had tried everything. I commenced on Saturday and before the next Saturday her eyes were sound and well as any child's. She was almost blind and had been kept in a dark room for more than a year; could not see to feed herself; and they have never been as yet the least painful sore or even looked red from that day until this, and it will be three years the first of May. They certainly cured her, and I think they are the greatest remedies out. I only used half a box of CUTICURA, one cake of CUTICURA SOAP, and one bottle of CUTICURA RESOLVENT; so you see what wonders they did for my little girl. I have read of all of these most wonderful cases, but never before thought that they might be true; but I know this to be the positive truth. MRS. FANNIE GARWOOD, Canton, Ga.
